

FEBRUARY 2012 CALENDAR

Planetary Musings

I don't know about you but the start of 2012 basically kicked my butt. I was opened to new challenges in the family arena and have learned a lot about my own strength, willpower and endurance. I hope your month has been less rigorous and all is well. [Happy Imbolc, Candlemas and Groundhog Day Feb 2nd!](#) On Feb 7th we have a Leo Full Moon beckoning, "Go, go, go!" And, Saturn in retrograde (until June) saying, "Wait a minute, toots, let's think about this for a minute." Certainly, what may seem like a contradiction, to me is a balancing of energies so that we maintain stasis. Remember, if you don't know what your next move is the best thing to do is to stand still, ask for guidance and listen and watch for inspiration or otherworldly messages to point you in the right direction. [Sat 18th HAPPY BIRTHDAY PISCES!](#) And the New Moon in Pisces follows on Tues 21st offering transformation and rebirth. Release all negativity and start anew. On Wed 29th, my long awaited trip to swim with the dolphins in Key Largo begins. Yaaa!!! I look forward to sharing my experience with you.

"I made decisions that I regret, and I took them as learning experiences... I'm human, not perfect, like anybody else." – Queen Latifah, musician, actor (Pis)

"Never met a wiseman, if so it's a woman." –Kurt Cobain, musician (Pis)

Keyword for February: **SURVIVAL**

In this deep dark month, go into your cave, feel your root chakra at the base of your spine and ask "What do I need to survive?" The answer may surprise you. Once meditated upon, you'll realize we all hold onto things we think we need but that actually hold us back from realizing our truest selves.
